High School Summer Programs

Cronkite Institute for High School Journalism

PRODUCE a newscast and a digital website

June 4-16, 2017

A two-week summer camp for promising high school journalists with hands-on training in how to report and write stories, produce newscasts and create multimedia content.

High School Media and Innovation Camp

DESIGN innovative apps and games

June 18-30, 2017

A two-week summer camp focusing on digital media and innovation, virtual reality, building mobile apps and serious games.

Cronkite Sports Broadcast Boot Camp

REPORT on major sports teams and events

July 16-30, 2017

A two-week residential summer camp where students receive a crash course in sports journalism, writing scripts, operating camera equipment, editing video and anchoring a news desk.
